Stage Format

4 groups of 4 teams. Each team plays all others in their group (3 matches per team). Top 2 per group advance to the Main Draw; remaining teams play in the Consolation Draw.

Main Draw

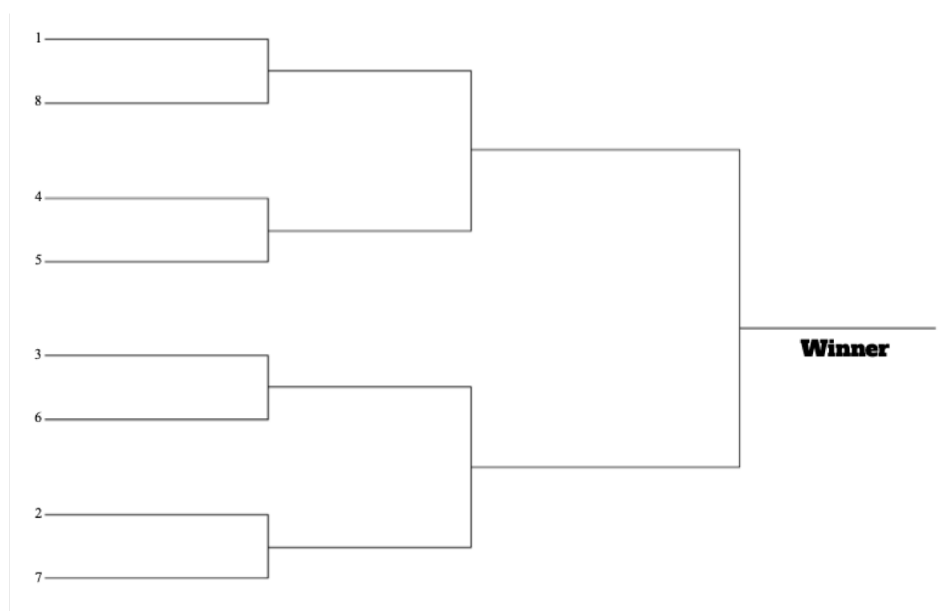

Top 2 from each group (8 teams). Once all 8 qualifiers are determined, seeding is assigned among them only using the same Ranking & Seeding Criteria above.

Note: even if a 3rd-placed team in one group has a better game/point ratio than another group's 2nd-placed team, only the top 2 from each group advance to the Main Draw.

Withdrawal adjustment — if any team withdraws before group completion, two groups are paired randomly via chit-draw (example: A+C, B+D):

- Quarterfinals: A1 vs C2, A2 vs C1, B1 vs D2, B2 vs D1
- Semifinals: Winners from A/C pairing (SF1); winners from B/D pairing (SF2)
- Final: Winner(SF1) vs Winner(SF2)
- 3rd Place: Loser(SF1) vs Loser(SF2)

8 Team Single Elimination

Consolation Draw

Bottom 2 from each group (8 teams). Once all 8 teams are determined, seeding is assigned among them only using the same Ranking & Seeding Criteria above.

Same bracket structure as Main Draw above (no separate diagram).

Ranking & Seeding Criteria (Round Robin)

1. Matches Won

2. Game Ratio (Games Won ÷ Games Lost)
3. Point Ratio (Points Scored ÷ Points Conceded)
4. Head-to-Head Result (if 2 teams tied)
5. Coin Toss / Organizer Decision

Final rankings determine seeding for both Main Draw and Consolation Draw.

Walkover / Withdraw Policy

- **Round Robin:** If a team withdraws, all opponents receive 2 match points and a 2-0 set credit for that matchup. Rally points (within sets) are recorded as 0-0, so withdrawals do not affect Point Ratio.
- **Knockout (Single / Double Elimination):** The opponent of the withdrawing team receives a direct bye and advances to the next round.

Match Rules

- Rally point scoring, best of 3 games to 21 points (BWF rules).
- Matches are self-officiated unless an umpire is assigned.
- 2 minutes warm-up allowed.
- 10-minute late arrival results in a walkover.
- **Players must bring their own feather shuttles (preferably Lingmei 90 PRO or Aeroplane Black) and provide 5 shuttles per player to organizers upon arrival.**
- Courts and nets provided by organizers.

Code of Conduct

- Players must maintain sportsmanship and respect at all times.
- Misconduct may result in disqualification.
- Decisions of the tournament committee are final.

Liability Disclaimer

- All participants play at their own risk.
- Organizers are not responsible for injuries, lost items, or damages.

Additional Notes

We're planning to live stream matches from 2 courts simultaneously. This is something we're really excited about and should make the tournament experience even better for players, friends, and family. If live streaming is enabled, matches can be watched directly on the MassKlan website through the tournament page and it cannot be used as review for taking decisions like IN/OUT calls etc. This is purely for streaming only not DRS.

Note: This is most likely to happen if all logistics go as planned
